Facilia Product Prices for Ecolego Prices in Euro – January 2009

INDIVIDUAL INSTALLATION

This allows the products to be used by a single Named User designated by the Licensee. The products may be installed on one or more stand-alone computers (for example, at work and at home), provided that the products are only accessible to, and operated by, that single Named User.

LICENSE TERM

Most license options are licensed on a PERPETUAL basis providing the right to use the software indefinitely. The initial purchase price of a Perpetual license includes Software Maintenance Service for the first 12 months of use. After the initial 12 month period, an annual software maintenance renewal fee is required to renew your Software Maintenance Service.

A two-day training course in Ecolego at Facilia offices is included in the license price. (*Accommodation, travel, and other expenses are not included.*)

SOFTWARE MAINTENANCE SERVICE

Product Updates. You are entitled to any product updates released during the service term if you are currently under the annual Software Maintenance Service. The annual Software Maintenance Service renewal fee is calculated based on the products installed in your configuration and the licensing option acquired. If your Software Maintenance Service lapses, reinstatement fees may apply. Shipping and handling fees for product updates are included in the Software Maintenance Service renewal fee.

Renewal Fees Software Maintenance Service renewal fees are calculated as 20% of the then current purchase price.
